EXPERIENCE / SKILLS

COMPUTER / TECHNOLOGY

- Familiar with most facets and versions of Windows, Mac OS X, Linux
- Built and upgraded computer hardware and peripherals piecewise.
- Diagnosed and used troubleshooting techniques to repair hardware pieces.
- Cleaned Windows systems from malware and setup preventative applications.

GRAPHIC DESIGN / CAD

- Created 2D AutoCAD drawings
- Modified and expanded VBA (AutoCAD) application which increased productivity of other drafters in creating their drawings.
- Created 3D Models based off blueprints including textures, materials and lighting.
- Animated camera and appropriate scene elements to match design criteria.
- Used AutoDesk 3DS Max and Blender for 3D production and rendering.
- Used Adobe Photoshop for texture and image manipulation and preparation for printing and web graphics.
- Prepared digital files for production.
- Consulted with clients to establish project objectives, target markets, budgets and schedules.
- Prepared concept presentations for client approval.

ADMINISTRATION

- Estimated time required for project completion.
- Provided quotes for clients.
- Proofread for accuracy.
- Organized, prepared and conducted meetings.
- Telephone interaction and follow-up with clients.
- Respected and maintained confidences.
- Recorded data on computer (Word/Excel)
- Spoke publicly to groups of up to 200.

TRAINING / INSTRUCTION

- Instructed entrepreneurs in how to conduct business online (up to 20 people per class).
- One-on-one tutoring of college level mathematics.
- Instructed personnel in using and debugging VBA for AutoCAD.

RETAIL/SALES

- Cold called prospective customers for 3D animation service and web site needs.
- Greeted customers in store, helped them find the product they needed.
- Helped customers with technical difficulties and major computer problems.

EMPLOYMENT HISTORY

- **Web Developer / 3D Animator**
  - Loklo Media, Lethbridge AB 2007 - 2012
- **Computer Technician**
  - Laptop Depot, Lethbridge AB 2010 - 2010
- **3D Modeler**
  - Framework Animation Ltd., Lethbridge, AB 2006 – 07
- **CAD Operator / 3D Modeler (Temporary Position)**
  - GLR Solutions Ltd., Calgary, AB 2006 – 06
- **CAD Operator / VBA Programmer**
  - Tundra Engineering Associates Ltd., Calgary, AB 2005 – 06

EDUCATION

- **B.Sc/B.Ed Physics Major** – Current, Anticipated graduation 2014
  - University of Lethbridge, AB
- **Diploma - Mechanical Design Technology**, honors 2005
  - SAIT, Calgary, AB
  - Awarded Jason Lang Scholarship (Grades Based)
- **Associates Degree – Electronics Engineering Technology** 1999
- **Associates Degree – Computer Systems Technology** 1999
  - Ricks College, Rexburg, Idaho
- **High School Diploma** 1997
  - Provost High School, Provost, AB
